Getting Started

- Trace two large hearts & one small heart onto freezer paper & roughly cut out.
- Iron each piece of freezer paper onto corresponding wool.
- Cut each piece out on the line.

Create Cording that will be used as a hanger.

Small Heart

- Embellish to please, leaving space along the edge for blanket stitch appliqué.
- Center on and appliqué to large heart.

Large Heart

- Embellish to please.
- Attach cording.
- Place the two large hearts together, so the small heart faces outward and sew together using blanket stitch.
- When a little more than half way complete sewing the two hearts together, lightly stuff with polyester filling.
- Continue with blanket stitch until closed.
