

## HERON Virtual Class

*Designed by Jennifer Riefenberg*

Heron, stitched on congress cloth, is a lovely interpretation of a Great Blue Heron standing quietly in a marshy setting. The design is based on Jennifer's original watercolor painting of a crane.

This piece explores a variety of interesting stitches and patterns, using silks, metallics, and other specialty threads. The soft color shading and gentle background help create a peaceful, natural feel.

Corning EGA is pleased to invite you to participate virtually in Heron on **April 10 & 17, 2027** from 2 - 4:00 p.m. ET.
